

CORONAVIRUS (COVID-19) UPDATE

As the novel coronavirus (COVID-19) continues to have an impact on our communities, please know that we are taking precautions and are preparing our team members and systems for what might come over the next several weeks. We are committed to providing our valued clients and customers with continued service so as to avoid any significant interruptions throughout the pandemic.

Please also know that we are looking after the well-being of our employees by following the appropriate recommendations from the Centers for Disease Control and Prevention (CDC). Given some of the measures being taken over the coming weeks, we appreciate your patience as you may experience some delays, hold times and possibly increased background noise as we make the safety of our staff a top concern. We are actively monitoring the situation and we will do whatever is needed to help keep our team and communities safe while maintaining uninterrupted service.

We wish for your health and safety. Please reach out to us if you have any questions.
